Section 1 Identification						Section 6 Accidental Release Measures					
Product Number:	050-1302	Health:	1				Flush away with water and detergent.				
Product Name:	Strawberry Extract	Flammability	1				Section 7 Handling and Storage				
Trade/Chemical Synonyms		Reactivity	0				Dissolve or mix material with a combustible solvent and burn in a chemical incinerator.				
Formula:	N/A	Hazard Rating:	Least Slight Moderate High Extreme				Section 8 Exposure Controls & Personal Protection				
RTECS:			0	1	2	3	4	Respiratory Protection:NIOSH/MSHA-approved respirator			
C.A.S	See Below	NA = Not Applicable NE = Not Established					Mechanical: Hand Wear appropriate gloves Protection: to prevent skin exposure				
Section 2 Component Mixture						Ventilation:					
Sara 313	Component	CAS Number	%	Dim	Exposure Limits:	Local Exhaust: Eye Protection: Chemical safety goggles					
	Strawberry Extract		100%	V/V		Other Protective Equipment: Wear appropriate clothing to prevent skin exposure					
Section 3 Hazard Identification (Also see section 11)						Section 9 Physical and Chemical Properties					
Keep away from heat and ignition sources. Harmful if swallowed. Avoid breathing vapors. Use with adequate ventilation. Avoid contact with eyes, skin, and clothes. Wash thoroughly after handling. Keep container closed.						Melting Point: information not available Specific Gravity Information not available					
Section 4 First Aid Measures						Boiling Point: information not available Percent Volatile by Information not available					
Keep away from heat and ignition sources. Harmful if swallowed. Avoid breathing vapors. Use with adequate ventilation. Avoid contact with eyes, skin, and clothes. Wash thoroughly after handling. Keep container closed.						Vapor Pressure: information not available Evaporation Rate: <1					
FIRST AID: SKIN: Wash exposed area with soap and water. If irritation persists, seek medical attention.						Vapor Density: information not available Evaporation Standard:					
EYES: Wash eyes with plenty of water for at least 15 minutes, lifting lids occasionally. Seek Medical Aid. INHALATION: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen						Solubility in Water: Soluble Auto ignition Temperature: not available					
INGESTION: If victim is conscious and alert, give 2-4 cupfuls of milk or water. Induce vomiting by giving one teaspoon of Syrup of Ipecac.						Appearance and Odor: strawberry odored liquid Lower Flamm. Limit in Air: not available					
Section 5 Fire Fighting Measures						Flash Point: information not available Upper Flamm. Limit in Air: not available					
Fire Extinguisher Type:	Carbon Dioxide, dry chemical powder, appropriate foam or water					Section 10 Stability and Reactivity Information					
Fire/Explosion Hazards:	Material will burn in a fire.					Stability: Stable Conditions to Avoid: Avoid contact with heat, sparks, flames, or other sources of ignition.					
Fire Fighting Procedure:	Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and clothing.					Materials to Avoid: None Known					
Section 11 Additional Information						Hazardous Decomposition Products: CO, CO2					
Effects of overexposure. Acute and chronic: Generally not hazardous in normal handling and use. May be irritating to skin and eyes. Breathing high concentrations of vapor may cause anesthetic effects.						Hazardous Polymerization:Will Not Occur					
DOT Classification: Not Regulated						Condition to Avoid:None known					
DOT regulations may change from time to time. Please consult the most recent version of the relevant regulations.						Section 11 Additional Information					
Revision No:0 Date Entered: 2/9/2005 Approved by: WPF						Effects of overexposure. Acute and chronic: Generally not hazardous in normal handling and use. May be irritating to skin and eyes. Breathing high concentrations of vapor may cause anesthetic effects.					

The information contained herein is believed to be accurate and is offered in good faith for the user's consideration and investigation. No warranty is expressed or implied regarding the completeness or accuracy of this information, whether originating from Aqua Solutions, Inc. or from an alternate source. Users of this material should satisfy themselves by independent investigation of current scientific and medical information that this material may be safely handled.
