

# Graphing Change Over Time

The Olympic Games take place every four years. This table gives winning times for the Olympic event, Women's 10K Cross Country Skiing.

Winning Times for an Olympic Ski Event, 1964–1988	
Year	Number of Minutes
1964	40
1968	37
1972	34
1976	30
1980	31
1984	32
1988	31

- Use the data in the table to make a line graph. Show the change over time. Remember to label the graph.
