

# Adding with Coins

What is the largest amount you can make that is less than \$1.00? What is the smallest amount using the fewest coins for each?

1. Use 4 coins.

Largest Amount	Smallest Amount
	
¢	¢

2. Use 5 coins.

Largest Amount	Smallest Amount
¢	¢

3. Use 6 coins.

Largest Amount	Smallest Amount
¢	¢

4. How did you find the answer for the largest amount in Problem 3? Use words, numbers, or pictures.
