

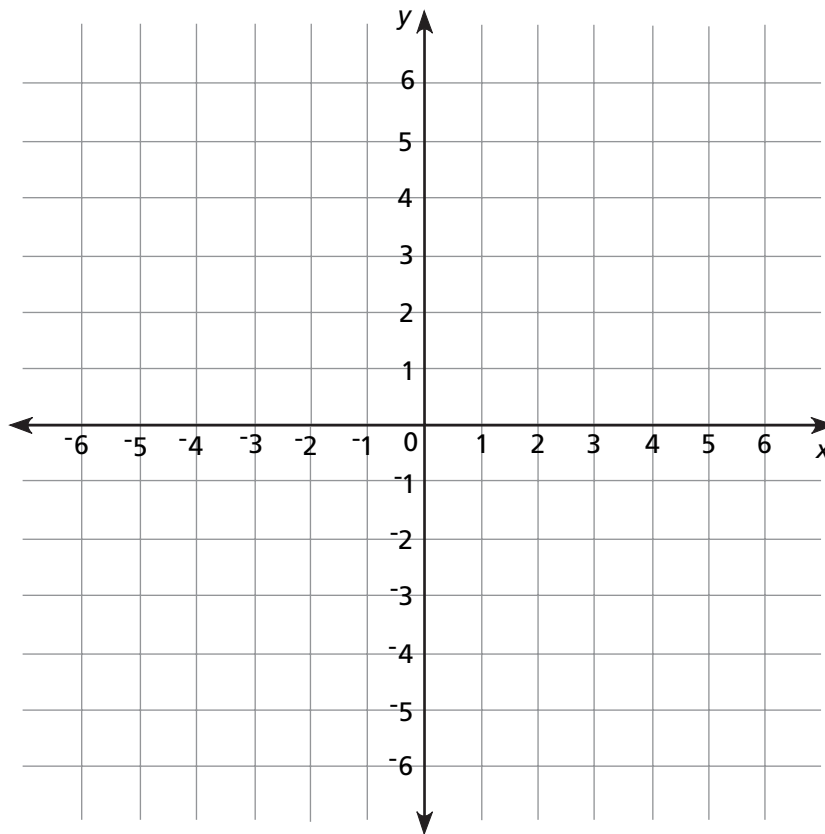

Graphing with Negative Numbers

Graph and label the following points. The challenge is finding a place to start!

Point	x-coordinate	y-coordinate
A	5 more than the x-coordinate of D	5
B	1 less than the x-coordinate of F	5 more than the y-coordinate of G
C	3 less than the x-coordinate of D	2 more than the y-coordinate of A
D	2 less than the x-coordinate of G	3 less than the y-coordinate of E
E	the same as the x-coordinate of B	6 less than the y-coordinate of C
F	10 less than the x-coordinate of A	6 less than the y-coordinate of B
G	3	3 less than the y-coordinate of D
