

Subtracting with Decimals

1 Is the route from Northtown to Southeaston shorter when you pass through Center City or when you pass through Eastburg? What is the difference?

2 Do you travel a shorter distance from Eastburg to Westford if you pass through Northtown or Center City? What is the difference?

3 Maureen’s delivery route begins in Center City and goes to Eastburg, Northtown, Westford, and back to Center City. Colleen’s delivery route begins in Center City and goes to South Western, Southeaston, Eastburg, and back to Center City. Whose route is shorter? What is the difference?

4 Explain how you know your answer to Problem 3 is correct.
