

Changing Cross Number Puzzles

You have seen that if you double all the numbers in a Cross Number Puzzle, you get a new one that works.

- 1 Do you think that if you ADD the same number to each number in a puzzle, you will get a new puzzle that works? Complete **Puzzle A** and see if **Puzzle A + 5** works.

A

20		28
70		

A + 5

25		
	7	

- 2 Complete **Puzzle B** and see if **Puzzle B - 5** works.

B

30	9	
	6	
		64

B - 5

	4	
14		

- 3 Complete **Puzzle C** and see if **Puzzle C × 5** works.

C

	11	
12		

C × 5

45		
	50
